Social issues in the communities

- Defamation
- > Threats against leaders and priests
- Psychological violence
- Discrimination
- > Crime
- Threats and intimidation on social media
- Militarization in communities along the borders with Honduras, Guatemala

Challenges

- Continuing the struggle for our rights
- Keeping the population informed about political processes
- Creating space for analysis in each community
- Advancing political formation
- Carrying out coordinated actions with all social movements to defend the rights of the people
